

**Subject: Housing Information**

University of Rochester

As part of the onboarding process, you'll need to secure housing in Rochester. There are both on-campus and off-campus options to consider, so I encourage you to review the resources below to learn more information about these options as well as about life in Rochester.

Housing resources:

- Listen to the "[Housing and Life in Rochester, NY](#)" webinar recording (recorded April 27, 2020)
- Review the "Secure Housing" page on the [MBA](#) and [MS](#) Admitted Student Portal
- Check out the Simon Housing Slack Channel
- Read the [Graduate Housing Guide](#)

Please keep in mind:

- There is no fee to apply for on-campus housing, so if it's something you're considering, we encourage you to [submit an application](#).
- If selected for University housing, please do not sign a lease without having a conversation with the [Office for Residential Life & Housing Services](#) to discuss your options if your arrival time changes.

- If you sign a lease, whether for on-campus or off-campus housing, there may be a financial penalty to adjust your arrival date. Please make sure you're aware of any financial responsibility before signing a lease.

I hope this information is helpful as you prepare to begin your graduate business studies!

Sincerely,

REBEKAH S. LEWIN
