

Subject: Important University Health Service Action Items

University of Rochester

I am reaching out to make you aware of two important items related to University Health Service (UHS) that you will need to complete prior to arriving on campus:

1. **Health Insurance:** All full-time students participate in the Student Health Program, which includes the mandatory health fee and health insurance. Please review the following information regarding your health insurance coverage:
 - As an international student, you will automatically be enrolled in UR Health Insurance for August 1, 2020 – July 31, 2021. No action is required on your part unless you want to enroll a dependent (see below). Next summer, you will need to re-enroll or waive online for the 2021/22 academic year.
 - If you wish to enroll a dependent (spouse or child) in health insurance, please fill out and submit [this form](#) to UHS. If you need any assistance, please reach out to a University Health Service insurance advisor by email at insurance@uhs.rochester.edu or by phone at (585) 275-2637.
 - For those who are beginning their studies in August: If you will be living in University of Rochester graduate housing this summer and require health insurance prior to August 1, 2020, you will be able to purchase health insurance by the month (\$204 per month for health insurance and \$53 per month for the mandatory health fee). Reply to this email for more information.
2. **Health History Form:** The Health History Form is used to document immunizations as well as current and past medical history. All required immunizations must be documented on the form, and only original forms can be accepted by University Health Service.
 - You will receive your Health History Form in the mail via FedEx by mid-June. You will be emailed prior to request your current mailing address. If you do not receive an email or the form by June 20, please send an email to

admissions@simon.rochester.edu with your mailing address, and we will send you one.

- Complete and return your Health History Form to UHS by July 31 (we recommend using FedEx or DHL to ensure on-time delivery and receipt).
- If you are not able to complete the form in its entirety, please do the best you can and send in the incomplete form by the due date. You will be able to make an appointment with UHS upon your arrival in Rochester to take care of any missing requirements.

We look forward to welcoming you to Simon!

Sincerely,

REBEKAH S. LEWIN
Assistant Dean of Admissions and Financial Aid
