

**Subject: 2020 Financial Times MS in Finance Ranking: #3 in US**

**Simon Business School | University of Rochester**

I am pleased to share the following very exciting news with you: Simon Business School has been ranked among the top ten business schools in the US for its STEM-designated MS in Finance program by *Financial Times*. Simon is ranked **3rd in the US** in this year's survey of pre-experience finance programs.

The ranking is a weighted average of alumni career progress, school diversity, international course experience, and faculty research. While Simon performed well across multiple criteria, we performed particularly well in career progress. This area is calculated according to changes in the level of seniority and the size of company alumni work for before their master's and today.

Simon has long been regarded as one of the best business schools in the world, with particular strength in finance, and we are pleased to again be recognized for our world-class MS in Finance program by *Financial Times* in its June 15, 2020, issue. It bears testimony to the leadership provided by our faculty in this field for almost 50 years and the Benet Career Management Center's support for our MS students.

Our graduates obtain employment in a variety of finance roles at companies such as Bank of China, BlackRock, Bloomberg, China Everbright Limited, CICC, Citigroup, Deloitte, EY, Goldman Sachs, Guotai Junan Securities, JPMorgan Chase & Co., Moody's Investors Service, Morgan Stanley, and Standard Chartered Bank.

We look forward to welcoming you to our world-class MS in Finance program very soon!

Sincerely,
