

Parking for Rochester-Bern EMBA Students

August 2026

If you are parking on campus, **you must register your vehicle**. The parking registration form **must be filled out and returned to a staff member the morning of orientation (Monday August 10) – or prior via email**. We need only one registration sheet per vehicle; those who are sharing a car need to submit just one.

We will distribute the permits as soon as we receive them from the University's Transportation and Parking department.

You must have the following information to complete your parking registration form:

- License plate number *and* State
- Car year
- Make *and* Model
- Color

Your parking permit allows you to park in **Zone 1 South only**. This is part of Intercampus Drive Lot. (Watch for the signs indicating the zones). **If you park anywhere else on campus, you will receive a parking ticket**. The only exception to parking elsewhere is if you do so after 4:00 pm or during the weekend. Be sure never park in a spot identified with a red sign as “reserved”, “for business passes” or “premium” – as well as “handicapped” spots.

If you switch cars during your stay, **you must:**

- Return your original parking pass
- Fill out another vehicle registration form
- Obtain a new parking permit

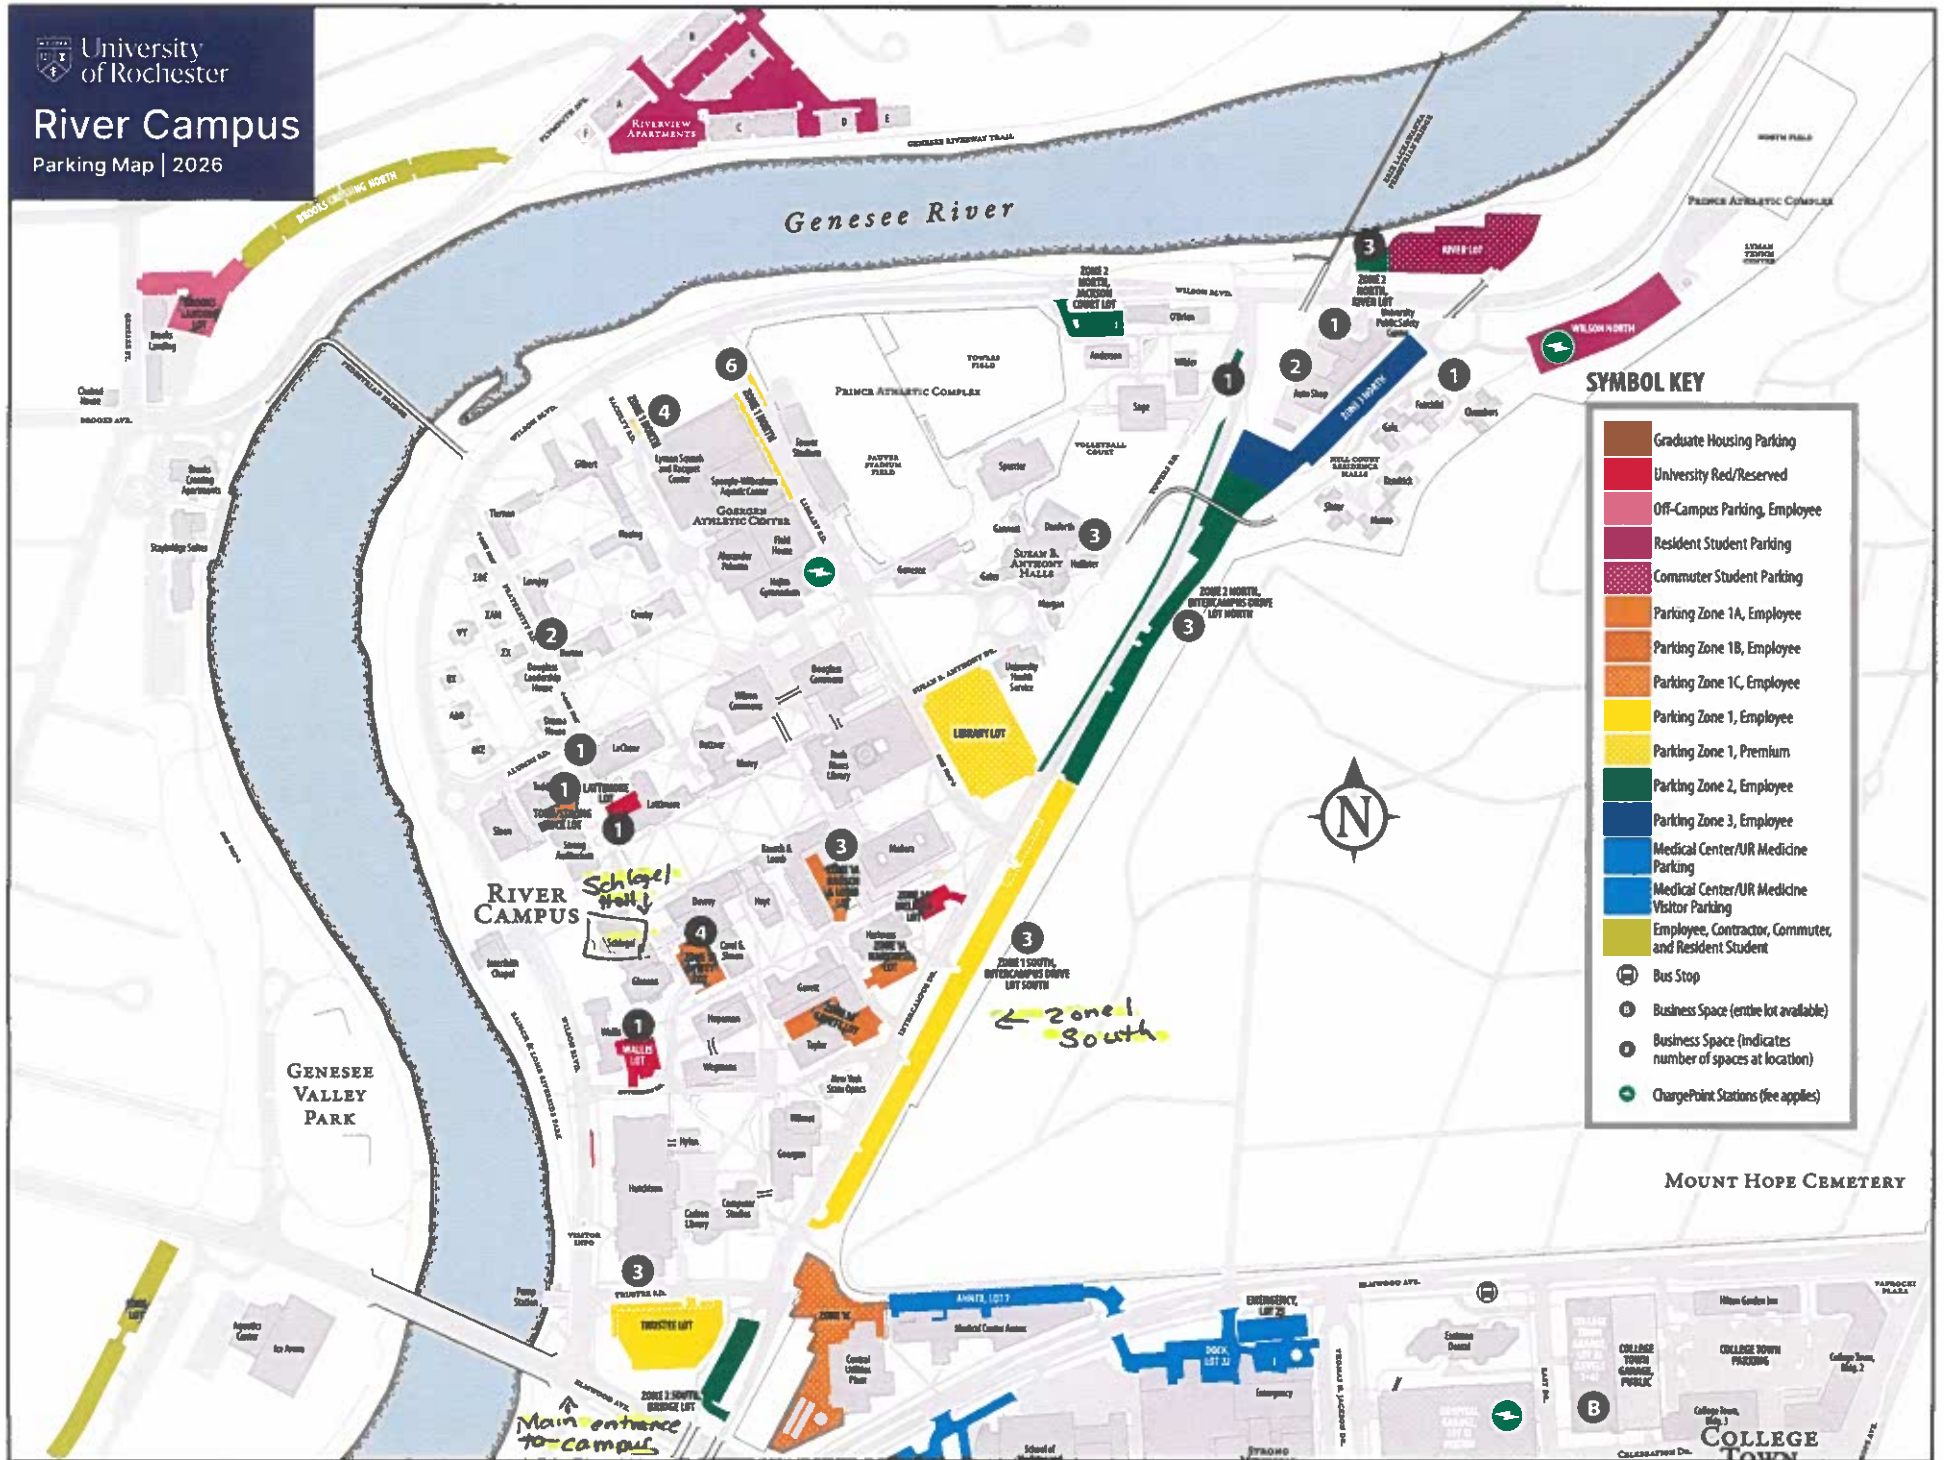

Please note that parking is strictly enforced, and you are responsible to pay for any tickets received on campus.

See map below/on reverse. This also highlights the main entrance to campus and Schlegel Hall (our classroom building)
