REPEAT COURSE FORM

Repeating Courses - Simon School Policy:

- Students may be advised to repeat courses in an effort to improve their academic record. Other students may elect to repeat courses to better their understanding and recorded performance in a given course.
- A student who repeats a course should understand that repeating a course in which s/he earned a grade of "C" or better replaces the grade but does not increase the total number of credit hours earned; the course is only counted once. In addition, the second grade (not necessarily the better grade) is used in computing the grade point average.
- Both courses and their respective grades appear on the transcript but only the repeated course is calculated in the grade point average.
- Students may retake a course only once. Scholarship awards will not be applied to repeated courses.
