In the fall of 2018, the Simon Career Management Center became the Jay S. and Jeanne Benet Career Management Center. Through the generosity of University of Rochester Trustee and former Travelers Chief Financial Officer Jay Benet and his wife, Jeanne, a newly renovated space in Schlegel Hall has become the hub of student and employer activities. It is a vibrant space where career peers engage with students, career professionals lead Career Action Team meetings, and corporate partners and alumni interview future business leaders.
